

# CAYMAN ISLANDS MONETARY AUTHORITY

15 August 2019

## **NOTICE**

### **RE: CIMA Experiences Network Issues**

Please be advised that the Cayman Islands Monetary Authority is currently experiencing network issues. The Authority is working diligently to resolve the matter as quickly as possible and apologises for any inconvenience caused.

The Authority will advise as soon as systems have been restored. Industry users are also encouraged to check back for updates.

Thank you very much for your patience and understanding.
