

# CAYMAN ISLANDS MONETARY AUTHORITY

16 August 2019

## **NOTICE**

### **RE: CIMA Network Issues Update**

Please be advised that the Cayman Islands Monetary Authority ("The Authority") is still actively working to repair network issues and users may experience intermittent services. The Authority appreciates that this interruption may have caused delays with e-filing and general communication.

We will provide updates accordingly.

Thank you very much for your continued patience and understanding.
