1 INTRODUCTION

The Monetary Authority Act (2020 Revision) (the “**MAA**”) prescribes the principal functions of the Cayman Islands Monetary Authority (the “Authority”), including regulating and supervising financial services business carried on in or from within the Islands in accordance with the MAA and the regulatory laws, and monitoring compliance with the Anti-Money Laundering Regulations (2025 Revision) (the “**AMLRs**”) pursuant to Sections 6(1)(b)(i), and (ii) of the MAA, respectively. In addition, Section 6(2) of the MAA, requires the Authority in performing its principal functions to, among other things, act in the best economic interest of the Islands and promote and maintain a sound financial system, and grants it such ancillary powers as may be required to fulfil its functions. Ensuring that regulated entities comply with the AMLRs when providing financial services is therefore an important jurisdictional matter to ensure that the Cayman Islands remains a financial centre of choice and that the financial system within the Islands is one that is strong and trusted.

In order to obtain the information necessary to discharge its principal functions, particularly that of monitoring compliance with the AMLRs, the Authority periodically undertakes sectoral ML/TF/PF risk assessments as part of its risk-based approach to AML/CFT supervision of regulated financial service providers (“**FSPs**”). In conducting sectoral ML/TF risk assessments and other related research, the Authority uses a software called Strix to distribute the AML Return to FSPs and further collect, analyse, model, and score ML/TF/PF and Sanctions risk data.

FSPs are required to provide this data by completing the AML Return Form and submit it through the Authority’s web-based portal, Strix, to the Anti-Money Laundering Division (“**AML D**”), within sixty (60) days after distribution by the Authority. The AML Return is issued in accordance with Regulation 53A of the AMLRs, pursuant to which the Authority may require a FSP to provide any information that the Authority reasonably requires in connection with the exercise of its functions. Requiring FSPs to complete this AML Return is necessary to ensure that the Authority has the requisite information necessary to perform its statutory functions as outlined in Section 6 of the MAA, which includes the monitoring of compliance with the AMLRs.

In addition, Section 16(1) of the Securities Investment Business Act (2020 Revision) (“**SIBA**”) sets out the duty of the Authority to maintain a general review of securities investment business in the Islands and empowers the Authority to examine the affairs of a licensee in any manner as it deems fit for the purposes of confirming that the AMLRs are being complied with and carrying out any other functions. The examination of the affairs of a licensee using information obtained through the AML Return is therefore necessary for purposes of discharging the Authority’s functions, including monitoring compliance with the AMLRs pursuant to Section 6(1)(b)(ii) of the MAA and 16(1)(c)(ii) of SIBA, as well as carrying out the duty of maintaining a general review of securities investment business in the Islands pursuant to Section 16(1)(a) of SIBA.

This Guide provides instructions and support to FSPs which carry out securities investments business for accessing, completion, and submission of the AML Return.

Please note that in accordance with Regulation 53B(1) of the AMLRs, failure to provide the requested information may amount to a criminal offence pursuant to Regulation 56 of the AMLRs and/or result in the imposition of an administrative fine of up to \$1,000,000 for a corporate body or \$100,000 for an individual, pursuant to Sections 42A, and 42B(4) of the MAA.

The Authority also has powers to take enforcement action pursuant to the relevant provisions of Section 17 of the SIBA for failure to comply with a requirement to provide information, which may include revocation of a licence. Providing false or misleading information to the Authority may also amount to a criminal offence and result in a fine of ten thousand dollars on summary conviction and to imprisonment for six months pursuant to section 16(4) of SIBA.

4 OTHER USEFUL INFORMATION

4.1 USER ACCOUNT LOCKOUTS

In the event the AML Return recipient has exceeded the number of permitted failed login attempts, their account will be temporarily locked. An email will be sent to the user identifying that they won't be able to log in. There are three (3) stages of lock out: 1) locked out for five (5) minutes; locked out for ten (10) minutes; and, if the user persists, locked out permanently.

To avoid being locked out, if the user fails to remember their password, they should update their password on the login page.

If the user is permanently locked out, they should contact AMLReturns@cima.ky to request having their account re-activated.

4.2 INTERNET BROWSER

Users should be aware that the AML Return will not open using the legacy Windows Explorer browser or with outdated Windows operating systems for security purposes. If the user's browser is defaulted to Explorer the link should be copied and opened in Chrome, Edge, Safari, or another modern browser.

4.3 TWO-FACTOR AUTHENTICATION

Due to the security permissions around the two-factor authentication, the invite to the AML Return, or the access to the portal, cannot be shared with uninvited recipients. If entities wish to add additional users to assist with completing or reviewing the form, they can contact AMLReturns@cima.ky.

If an Entity's recipient is set up as a contact to the Strix portal but they are not receiving their two-factor authentication code, they should attempt the following prior to contacting AMLReturns@cima.ky:

- 1) Check the date / time settings of the individual's computer and be sure they are set to 'Automatic'.
- 2) Try a different browser on the same computer (a secure modern browser is required – Chrome, Edge, Safari, Firefox).

- 4) Check that third party cookies are allowed:

Example of Microsoft Edge Cookie Setting:

4.4 USING EXCEL

The Strix portal allows you to copy two-column lists from an Excel document and paste the data directly into the Return. Given that there are several questions in the Return that require country breakdown details, the ability to bulk paste into Strix will ease the burden of inputting individual responses. To upload bulk entries for those country breakdown questions, please do the following:

- Open an Excel spreadsheet and using 2 columns – enter the question responses (number or value) in the first column and the country details (ISO code or name) in the second column.
- Highlight and copy the information from the 2 columns in Excel, select the upload button next to the relevant question in Strix and then paste the data into the pop-up window.
- Select 'Add' to upload the desired data into the Return form, or 'Clear' to remove the data.

Note: Individual items may also be removed from the list by clicking on the delete button, next to the respective country, on the list.

4.5 PARTIAL OR INCOMPLETE RETURN SUBMISSIONS

Partial or incomplete submissions will only be permitted by the Authority under approved circumstances. Prior to submitting an 'Incomplete' AML Return, the Entity is required to submit a Request for Incomplete Submission to the Authority. Incomplete Submission Requests are to be submitted to AMLReturns@cima.ky detailing the following:

- Licence or Registration Name
- Licensed or Registration Number
- Date of Licence or Registration
- List of current directors
- Number of Clients
- Reason for requesting to make an Incomplete Submission.

4.6 DATA AND SECURITY

The AML Return, the auto-generated communication from Strix, and the data collected from FSPs in the AML Return are all maintained on-premises, on the Authority's server systems. The Authority continues to use the same firewalls and data protection protocols that are deployed for the REEFs portal and other applications.

NOTE: The Authority encourages entities to save a copy of their submitted AML Return for their own record keeping purposes, since the Authority does not maintain copies of historical returns for supervised entities. Additionally, as per the Authority's data management policy, submissions for terminated entities will not be accessible to their authorised contacts within the Strix portal.

4.7 APPLICABLE FEES

There are no fees associated with this Form.
