# **1** INTRODUCTION

The Cayman Islands Monetary Authority (the "Authority") periodically undertakes sectoral ML/TF/PF and Sanctions risk assessments as part of its risk-based approach to AML/CFT supervision of regulated financial service providers ("FSPs"). In conducting sectoral ML/TF risk assessments and other related research, the Authority uses a software called STRIX to distribute the AML Survey to FSPs and further collect, analyse, model, and score ML/TF/PF and Sanctions risk data.

FSPs are required to provide this data by completing the AML Survey Form and submit it through the Authority's web-based e-mail survey software, to the Anti-Money Laundering Division (the "AMLD"). This AML Survey Form is issued in accordance with section 29(2)(c) of the Mutual Funds Act (2021 Revision).

This Guide provides support to FSPs, which carry out mutual fund administration business, with accessing, completing and submitting the AML Survey – Mutual Fund Administrator Form.

# **2** FORM INFORMATION

The AML Survey – Mutual Fund Administrator Form is to be completed by each FSP holding a Mutual Fund Administration licence, who are commonly referred to as "Entity" for purposes of this form.

The AML Survey – Mutual Fund Administrator Form is made up of two (2) sections for collecting AML risk data; the AML Inherent Risks and AML Controls.

# **3** ACCESSING AND SUBMITTING THE AML SURVEY

# 3.1 ACCESS TO THE AML SURVEY

Entities will receive an invitation to the web-based survey by email using the current email contact details of the Entity which the Authority has on record. Each member of the Entity who receives an invitation email can activate their own account. The invitation email is specific to the recipient email address and cannot be shared or forwarded. Clicking on the link provided in the invitation email will take the user to the account creation webpage. On successful account activation, the user will receive a confirmation email.

Login then takes place via clicking on the 'Return Home' button available immediately after activation, or via the link provided in the confirmation email. Login is only possible using a two-factor verification code which will be sent by email to the individual. If an Entity has multiple points of contact on file, they will all have joint access to the same survey.

The Authority is using the following entity contacts to distribute the AML Survey: Anti-Money Laundering Compliance Officer ("AMLCO"), Money Laundering Reporting Officer ("MLRO"), Registered Office, and any other additional contacts upon request from the Entity. If an Entity is unsure of what their contact details are, they can contact the Authority at <u>AMLSurveys@cima.ky</u>.

To access the AML Survey:

 When the AML Survey is distributed from STRIX, the recipients will receive an invitation email from "Cayman Islands Monetary Authority" with the address <u>AMLDoNotReply@cima.ky</u>. The email will request the recipient to 'Confirm Account'. The recipient should click on the 'Confirm Account' button, which will redirect the recipient to the activation page using their default browser. A modern browser (e.g. MS Edge, Chrome, Safari) should be used for security purposes.

2. The recipient will then be asked to create a password using uppercase, lowercase, number, and a special character. The password is required to be between 8 and 16 characters long.

3. The recipient will be asked to re-enter their password.

4. Once the recipient's password has been re-entered, and matches, they can submit and finish the activation process. An email "Notification of Successful Activation" will be sent providing a 'Go to Portal' link which can be used for all future access.

5. The user should then click on the 'Return To Home' button.

6. The recipient should then enter their username, which is their email address where they received the AML Survey invite, and the password they just created.

7. A six digit two-factor authentication code will be sent to the survey recipient's email

8. The recipient should enter the six (6) digit two-factor authentication code on the webpage where prompted.

 Click 'Open' to access the AML Survey request. If a survey recipient is a contact for two (2) or more FSPs, or where an Entity has two or more licences or registrations, related surveys will be listed here for the recipient to view and access.

#### 3.2 COMPLETING THE AML SURVEY FORM

- 1. Click the Current Questionnaire to access the AML Survey Form and start populating the form with the required data.
  - a. Completion guidance for the AML Survey is available at section 5 of this Guide below.
  - b. The recipient(s) can open, update, and close the AML Survey as many times as needed prior to the survey due date so long as the recipient selects 'Save'.
  - c. Once the AML Survey has been completed it can either be 'Saved' and 'Exported' for internal review or 'Saved' and 'Submitted' to the Authority.
  - d. Upon submission, you will receive a confirmation email from Cayman Islands Monetary Authority stating, 'Notification of Successful Submission'. The Entity's name and the survey name will be listed for verification, useful for instances where users are submitting for more than one entity.
  - e. Once the AML Survey is 'Submitted' an Excel and PDF copy of the completed survey will be available under 'Current Questionnaire'.
  - f. Upon submission to the Authority a review of the AML Survey will be conducted by a member of the AMLD. If information is missing or needs clarification the Authority will 'Reject' the AML Survey through an email notification detailing the specifics. The recipient will then be required to make the necessary corrections or provide the additional detail to the Authority as indicated in the email.
  - g. Partial or incomplete submissions will only be permitted by the Authority under approved circumstances. If an Entity submits an 'Incomplete' AML Survey, they are required to submit a Request for Incomplete Submission to the Authority. Incomplete Submission Requests are to be submitted to <u>AMLSurveys@cima.ky</u> detailing the following:
    - i. Licence or Registration Name
    - ii. Licenced or Registration Number
    - iii. Date of Licence or Registration
    - iv. List of current directors
    - v. Number of Clients
    - vi. Reason for requesting to make an Incomplete Submission.
- 2. If a user receives or has access to more than one survey, they will not see the additional survey(s) in the 'Current Surveys' section of the web page. At the top of the page, where it shows the Entity name, there should be a bold blue number indicating the number of Entity accounts the user has access to. Once the user clicks the number, a drop-down list will appear displaying the additional Entity names.
- 3. The STRIX portal allows you to copy two-column lists from an Excel document and paste the data directly into the survey. Given that there are several questions in the survey that require country breakdown details, the ability to bulk paste into STRIX will ease the burden of inputting individual responses. To upload bulk entries for those country breakdown questions, please do the following:

- a. Open an Excel spreadsheet and using 2 columns enter the question responses (number or value) in the first column and the country details (ISO code or name) in the second column.
- b. Highlight and copy the information from the 2 columns in Excel, select the upload button next to the relevant question in STRIX and then paste the data into the pop-up window.
- c. Select 'Add' to upload the desired data into the survey form, or 'Clear' to remove the data.

Note: Individual items may also be removed from the list by clicking on the delete button, next to the respective country, on the list

# 4 OTHER USEFUL INFORMATION

# 4.1 USER ACCOUNT LOCKOUTS

In the event the AML Survey recipient has exceeded the number of permitted failed login attempts, their account will be temporarily locked. An email will be sent to the user identifying that they won't be able to log in. There are three (3) stages of lock out: 1) locked out for five (5) minutes; locked out for ten (10) minutes; and, if the user persists, locked out permanently.

To avoid being locked out, if the user fails to remember their password, they should update their password on the login page.

If the user is permanently locked out, they should contact <u>AMLSurveys@cima.ky</u> to request having their account re-activated.

### 4.2 INTERNET BROWSER

Users should be aware that the AML Survey will not open using the legacy Windows Explorer browser or with dated Windows operating systems for security purposes. If the user's browser is defaulted to Explorer the link should be copied and opened in Chrome, Edge, Safari, or other modern browser.

# 4.3 DATA AND SECURITY

The AML Survey, the auto-generated communication from STRIX, and the data collected from FSPs in the AML Survey are all maintained on-premise on the Authority's server systems.
