1 INTRODUCTION

As part of the Cayman Islands Monetary Authority's (the "Authority") responsibility for monitoring compliance of relevant financial businesses with Anti-Money Laundering, Counter Terrorist Financing, Proliferation Financing, and Sanctions requirements ("ML/TF/PF and Sanctions"), Entities holding a Category A, B, or Restricted B Bank licence under the Banks and Trust Companies Act (2025 Revision), collectively referred to as "Entities" for purposes of this form, are required to submit a Cash Flows Return on a quarterly basis. The Cash Flows Return - Banking Form provides the Authority with data relating to the cumulative inflows and outflows of the banking sector to allow the Authority to analyse, model, and score ML/TF/PF and Sanctions risk exposures.

Entities are required to provide this data by completing the Cash Flows Return – Banking Form and submitting it through the Authority's web-based portal, Strix, to the Anti-Money Laundering Division (the "AMLDD"), within sixty (60) days after distribution by the Authority.

The Cash Flows Return – Banking Form is issued in accordance with the Authority's responsibilities under section 17(3) of the Bank and Trust Companies Act (2025 Revision).

2 FORM INFORMATION

The Cash Flows Return is intended for reporting transactions between entities holding a Category A, B, or Restricted B Bank licence. For the purposes of this return, relevant payments include wire transfers, remittances, and transfers to another institution, including group entities, but may also include other forms of electronic transfers and payment systems. Entities are not required to report internal bank transfers between its own client accounts within the Cayman Entity.

3 ACCESSING AND SUBMITTING THE CASH FLOWS RETURN

3.1 ACCESS TO THE CASH FLOWS RETURN

Entities will receive an invitation to the web-based portal by email, using the current email contact details of the Entity which the Authority has on record. Each member of the Entity who receives an invitation email can activate their own account. The invitation email is specific to the recipient's email address and cannot be shared or forwarded. Clicking on the link provided in the invitation email will take the user to the account creation webpage. On successful account activation, the user will receive a confirmation email.

Logging into the Strix portal is then accomplished by clicking on the 'Return Home' button available immediately after activating, or via the link provided in the confirmation email. Account login is only possible using a two-factor verification code which will be sent by email to the individual. If an Entity has multiple points of contact on file, they will all have joint access to the same survey. The Authority is using the following entity contacts to distribute the Cash Flows Return: Anti-Money Laundering Compliance Officer ("AMLCO"), Money Laundering Reporting Officer ("MLRO"), Deputy Money Laundering Reporting Officer

("DMLRO") and any other additional contacts, upon request from the Entity. If an Entity is unsure of the current contact details the Authority has on record, they can contact the Authority at AMLSurveys@cima.ky.

1. Click the Current Questionnaire to access the Cash Flows Return – Banking Form and start populating the form with the required data.
 - a. Completion Guidance for the Cash Flows Return is available in Section 5 of this Guide below.
 - b. The recipient(s) can open, update, and close the Cash Flows Return as many times as needed prior to the survey due date so long as the recipient selects 'Save'.
 - c. Once the Cash Flows Return has been completed it can either be 'Saved' and 'Exported' for internal review or 'Saved' and 'Submitted' to the Authority.
 - d. Upon submission, you will receive a confirmation email from Cayman Islands Monetary Authority stating, 'Notification of Successful Submission'. The Entity's name and the survey name will be listed for verification, which is useful for instances where users are submitting for more than one entity.
 - e. Once the Cash Flows Return is 'Submitted', an Excel and PDF copy of the completed survey will be available under 'Current Questionnaire'.
 - f. Upon submission to the Authority, a review of the Cash Flows Return will be conducted by a member of the AMLD. If information is missing or needs clarification, the Authority will 'Reject' the Cash Flows Return through an email notification detailing the specifics. The recipient will then be required to make the necessary corrections or provide the additional details to the Authority as indicated in the email.
 - g. Partial or incomplete submissions will only be permitted by the Authority under approved circumstances. Prior to submitting an 'Incomplete' Cash Flows Return, the entity is required to submit a Request for Incomplete Submission to the Authority. Incomplete Submission Requests are to be submitted to AMLSurveys@cima.ky detailing the following:
 - i. Licence or Registration Name
 - ii. Licenced or Registration Number
 - iii. Date of Licence or Registration
 - iv. List of current Directors
 - v. Number of Clients
 - vi. Reason for requesting to make an Incomplete Submission.
 - h. The Cash Flows Return is to be completed quarterly and should be submitted through the Strix portal sixty (60) days after being distributed by the Authority.
2. If a User receives or has access to more than one survey, they will see the additional survey(s) in the 'Current User' section of the web page. At the top of the page, where it shows the Entity's name, there should be a bold blue number indicating the number of Entity accounts the user has access to. Once the user clicks the number, a drop-down list will appear displaying the additional Entity names.

3.3 EXCEL FUNCTIONALITY

1. The Strix portal allows you to copy two-column lists from an Excel document and paste the data directly into the survey. Given that there are several questions in the survey that require country

breakdown details, the ability to bulk paste into Strix will ease the burden of inputting individual responses. To upload bulk entries for those country breakdown questions, please do the following:

- a. *Open an Excel spreadsheet and using 2 columns – enter the question responses (number or value) in the first column and the country details (ISO code or name) in the second column.*
- b. *Highlight and copy the information from the 2 columns in Excel, select the upload button next to the relevant question in STRIX and then paste the data into the pop-up window.*
- c. *Select 'Add' to upload the desired data into the survey form, or 'Clear' to remove the data.*

Note: Individual items may also be removed from the list by clicking on the delete button, next to the respective country, on the list.

4 OTHER USEFUL INFORMATION

4.1 USER ACCOUNT LOCKOUTS

In the event a recipient has exceeded the number of permitted failed login attempts, their account will be temporarily locked. An email will be sent to the user identifying that they will not be able to log in. There are three (3) stages of lock out: **1)** locked out for five (5) minutes; **2)** locked out for ten (10) minutes; and, **3)** if the user persists, locked out permanently.

To avoid being locked out, if the user fails to remember their password, they should update their password on the login page.

If the user is permanently locked out, they should contact AMLSurveys@cima.ky to request to have their account re-activated.

4.2 INTERNET BROWSER

Users should be aware that the Cash Flows Return will not open using the legacy Windows Explorer browser or with outdated Windows operating systems for security purposes. If the user's browser is defaulted to Explorer, the link should be copied and opened in Chrome, Edge, Safari, or another modern browser.

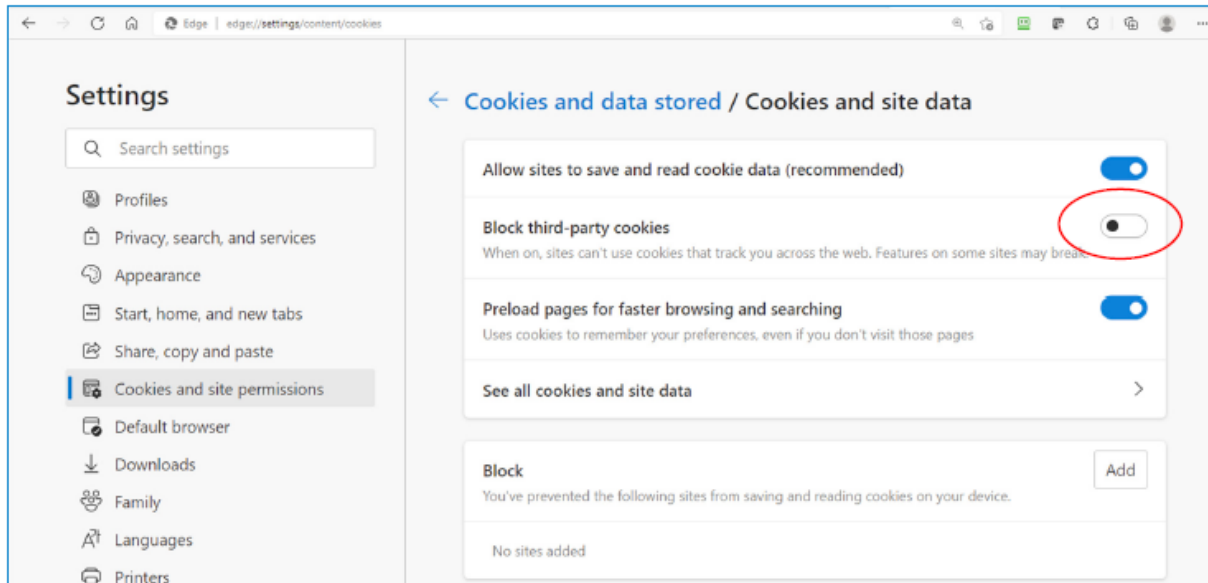

4.3 TWO-FACTOR AUTHENTICATION

Due to the security permissions around the two-factor authentication, the invite to the Cash Flows Return, or the access to the portal, cannot be shared with uninvited recipients. If entities wish to add additional users to assist with completing or reviewing the form, they can contact AMLSurveys@cima.ky. If an Entity's recipient is set up as a contact to the Strix portal but they are not receiving their two-factor authentication code, they should attempt the following prior to contacting AMLSurveys@cima.ky:

- 1) Check the date / time settings of the individual's computer and be sure they are set to 'Automatic'.

- 2) Try a different browser on the same computer (a secure modern browser is required – Chrome, Edge, Safari, Firefox).
- 3) Ensure that amldonotreply@cima.ky is not blocked by the individual / Entity’s network security.
- 4) Check that third party cookies are allowed:

4.4 DATA AND SECURITY
