information being used by the Requesting Authority for such other purpose.

- 7.4. Where the Requesting Authority believes that sharing confidential information with a third party is necessary, it must inform the Requested Authority of the third party's interest in this information and the Requested Authority shall, if it deems fit, consent in writing to the information being shared with or used by the third party prior to the information being used by the Requesting Authority for its purposes under Clause 4.3(a) or 7.2. For the purposes of this Memorandum, confidential information includes but is not limited to matters such as the identity, assets, liabilities, transactions or accounts of a Financial Institution.
- 7.5. In the event that the Requested Authority opposes such use as referred to at Clause 7.3 and Clause 7.4 the Requested and Requesting Authorities may consult to determine the appropriate terms under which the information may be so used.

8. UNDERTAKING OF INSPECTION VISITS

- 8.1. An Authority may make a request to undertake inspection visits to Financial Institutions in the Jurisdiction of the Requested Authority (either directly or through delegated third parties), where relevant and necessary to fulfill its legal obligations as the supervisor of a Financial Institution. The Requesting Authority shall, unless there are exceptional circumstances, give at least 30 days written notice to the Requested Authority of the time and scope of the inspection, and shall provide the Requested Authority with a list of names of the individuals who will conduct the inspection (the "Inspection Team").
- 8.2. The Requested Authority will not prevent the Requesting Authority from carrying out on-site inspections for the purposes of consolidated financial institution supervision, subject to the requirements and limitations of the Requested Authority's Jurisdiction. The Requested Authority has the right to participate in any such inspection.
- 8.3. Prior to the commencement of any on-site inspection, all members of the Inspection Team will be required to give an undertaking to comply with the confidentiality provisions of the legislation in the Jurisdiction of the Requested Authority.
- 8.4. Prior to the commencement of an on-site inspection, the Requesting Authority will discuss the scope of the inspection, and any other matters of interest to the Authorities.

8.5. The Requesting Authority will discuss the inspection findings with the Requested Authority and will inform the Requested Authority promptly of any regulatory action that it intends to take as a result of the inspection. The Requested Authority will also advise the Requesting Authority of any regulatory action it intends to take against the Financial Institution under its supervision arising from the inspection.

9. CONFIDENTIALITY

9.1. The Authorities will, to the full extent permitted by their Laws, Regulations and Rules, keep confidential:

- (a) Any request for assistance or information pursuant to this Memorandum;
- (b) Any information received or provided pursuant to this Memorandum; and
- (c) Any matter arising during the operation of this Memorandum, including consultations and information exchanged voluntarily.

9.2. The Requesting Authority shall not disclose the assistance or information obtained pursuant to this Memorandum to third parties without the prior written consent of the Requested Authority.

9.3. An Authority may provide any information received from a Requested Authority to another Financial Services regulatory body within its Jurisdiction upon the prior written consent of the Requested Authority. Such approval will not normally be withheld if:

- (a) The purpose of passing on such information to such an agency or body falls within the scope of this Memorandum; and
- (b) A prior undertaking has been obtained from the recipient by the Requested Authority that it will and is legally obliged to maintain the confidentiality of the information.

9.4. The confidential treatment of assistance and information by Authorities will continue when any Authority gives notice of its intention to cease co-operation under this Memorandum. The Authorities understand that the Laws, Regulations and Rules of their respective Jurisdictions, place limitations on use and disclosure of non-public information obtained pursuant to this Memorandum.

- 9.5. In the event that an Authority is legally compelled by an order of the court to disclose to a third party including a third party supervisory authority, information that has been provided in accordance with this Memorandum, that Authority should promptly notify the Requested Authority, indicating what information it is compelled to release and the circumstances surrounding its release.

10. RIGHTS OF REQUESTED AUTHORITY

- 10.1. The Requested Authority may deny requests for assistance under this Memorandum:
- (a) Where the request would require the Requested Authority to act in a way that would violate the Laws, Rules and Regulations of the Jurisdiction of the Requested Authority;
 - (b) Where the request is not in accordance with the provisions of this Memorandum;
 - (c) Where corresponding assistance would not be given in the jurisdiction of the Requesting Authority;
 - (d) Where the request involves a breach of law or other requirement which has no close parallel in the jurisdiction of the Requested Authority or involves the assertion of a legal power not recognised in the jurisdiction of the Requested Authority; or
 - (e) On the grounds of public interest.
- 10.2. Where the Requested Authority denies a request for assistance, or where assistance is not available under the law of the Jurisdiction of the Requested Authority, the Requested Authority will provide the reasons why it is not granting the assistance. The Authorities will then consult pursuant to Clause 11.
- 10.3. The Authorities recognise that they intend nothing in this Memorandum to either limit or enhance the powers of the Authorities under the laws of their respective Jurisdictions to investigate or gather information or to take measures otherwise than as provided in this Memorandum to obtain information, whether or not concerning a request under this Memorandum.

11. CONSULTATION

11.1. The Authorities will consult with each other on a regular basis in an effort to improve the operation of this Memorandum and resolve any matters that may arise including but not limited to:

- (a) A change in market or business conditions or in Laws, Regulations or Rules, or any other difficulty arising which makes it necessary to amend or extend this Memorandum;
- (b) Matters of mutual interest to enhance co-operation and to protect investors and depositors by ensuring the stability, efficiency, and integrity of the financial services industry in their respective Jurisdictions,
- (c) The co-ordination of the supervision of Financial Institutions; and
- (d) The administration of their respective Laws, Regulations and Rules.

The purpose of such consultations is to assist in the development of mutually agreeable approaches for strengthening the Financial Services industries of their respective Jurisdictions whilst avoiding, whenever possible, conflicts that may arise from the application of differing regulatory practices.

11.2. The Authorities will consider the need for additional measures for the exchange of supervisory and surveillance information in the administration of Laws, Regulations and Rules concerning Financial Institutions in their respective Jurisdictions, on an ongoing basis. To this end, the Authorities will inform one another of the adoption of domestic measures that may affect their respective authority to provide assistance under this Memorandum.

11.3. The Authorities may take practical measures as may be necessary to facilitate the implementation of this Memorandum. As such, the Authorities by consensus, may waive, amend or alter any of the terms of this Memorandum.

12. COSTS OF INVESTIGATION

Where substantial costs are incurred in responding to a request for assistance under this Memorandum, the Requested Authority may require the Requesting Authority to contribute to its cost in an amount agreed upon by the Authorities involved.

13. TERMINATION OF MEMORANDUM

- 13.1. An Authority may terminate its participation in this Memorandum at any time by giving at least 30 days prior written notice to the other Authorities.
- 13.2. A termination by an Authority will not affect the other Authorities as signatories to this Memorandum.
- 13.3. This Memorandum will continue in effect for the Authority giving notice until the expiration of 30 days after that Authority gives written notice to the other Authorities of its intention to terminate its cooperation under this Memorandum. This Memorandum will continue to have effect with respect to all requests for assistance made by or to that Authority before the effective date of notification, until the Requesting Authority terminates the matter for which it requested assistance.
- 13.4. In the event of termination of this MOU, information obtained under this MOU will continue to be treated in the manner prescribed under Clause 9 and remain confidential.

14. AMENDMENT

No waiver, amendment or alteration to this Memorandum shall be effective unless made in writing and executed by the Authorities.

15. EXECUTION OF MEMORANDUM

This Memorandum shall govern the exchange of information among the Authorities that are signatories to it as of the date of execution by the respective Authority.

16. DISPUTE RESOLUTION

- 16.1 Where disputes arise out of the interpretation, operation and implementation of this Memorandum, the Authorities will make every effort to have such disputes settled amicably through consultation or negotiation among the Authorities.
- 16.2 Where no agreement is reached under the provisions of clause 16.1, the Authorities may agree to appoint a Dispute Resolution Panel, consisting of at least three signatories to the MOU on the subject matter hereof and the task of the Dispute Resolution Panel shall be to evaluate whether any

Authority has refrained from giving effect to any of the provisions of this Memorandum.

- 16.3 Authorities have the right to bring issues of non-compliance before the Dispute Resolution Panel and where the Dispute Resolution Panel finds that an Authority has not given effect to any of the provisions of this Memorandum, it shall give that Authority reasonable time within which to comply.
- 16.4 Where an unresolved dispute arises, the Dispute Resolution Panel should invite all parties to the dispute to make submissions in writing to, or meet with the Dispute Resolution Panel to ventilate their respective positions.
- 16.5 The Dispute Resolution Panel should then make every effort to assist the parties to arrive at an agreed resolution.
- 16.6 Where the parties fail to arrive at an agreed resolution, the Dispute Resolution Panel should then recommend a solution to which all parties would be required to indicate their acceptance or not.
- 16.7 If all parties accept the solution recommended by the Dispute Resolution Panel, this would then constitute an agreement to, or resolution of the dispute without more, and the parties would be required and expected to implement it.
- 16.8 If one or all parties reject the solution recommended by the Dispute Resolution Panel, the Dispute Resolution Panel shall then make a finding as to whether one or all of the parties are either unwilling or unable to fulfill their obligation under the Memorandum, and shall recommend that one or all of the parties take the necessary steps to comply with their obligations under the Memorandum within a stipulated time-frame.
- 16.9 Where the offending party fails to comply with their obligations under the Memorandum within the time stipulated by the Dispute Resolution Panel, the Dispute Resolution Panel shall then submit to the wider group of signatories to the MOU, a recommendation that the offending party's signatory to the MOU be either- (a) suspended for a stipulated period of time; or (b) or terminated.
- 16.91 The recommendation of the Dispute Resolution Panel to the wider group of signatories to the MOU should be considered and determined at a special meeting of signatories, and where the majority of the signatories to the MOU approve the recommendation of the Dispute Resolution Panel, the suspension or termination, as the case may be, of the offending party shall take effect immediately.

17. ACCESSION

- 17.1. After entry into force of this Memorandum, a regulatory authority that is not a party hereto, may, if the Authorities agree in writing, accede to this Memorandum by preparing, signing and depositing an instrument of accession with the Designated Depository.
- 17.2. This Memorandum shall bind an Authority that accedes under Clause 17.1 from the date of accession.

18. SUPERSESSION

- 18.1 This Memorandum shall constitute the entire agreement amongst the Authorities with respect to the subject matter hereof and will supersede and override all prior agreements and understandings, oral and written amongst the Authorities with respect to the subject matter hereof.
